PROFESSIONAL SUMMARY

UX/UI Designer with 3+ years of experience designing enterprise and employee experience platforms. Skilled in UX strategy, interaction design, wireframing, prototyping, design systems, and responsive web applications. Experienced in collaborating with cross-functional teams to deliver scalable and user-centered digital products. Passionate about building intuitive user experiences and actively involved in the design community through Friends of Figma and Notion Chennai events.

SKILLS

UX Design, UI Design, User Research, Interaction Design, Wireframing, Prototyping, Usability Testing, Information Architecture, Design Systems, Visual Design, Responsive Design, Figma, Framer, Adobe Photoshop, Adobe Illustrator, Premiere Pro, Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Altimetrik | Nasdaq – UX/UI Designer | Jun 2024 – Present

- Led the redesign and modernization of the CALYPSO platform from a desktop-based system to a responsive web experience.
- Designed intuitive navigation flows and streamlined workflows that improved task efficiency and reduced user friction.
- Collaborated with developers and product teams to ensure accurate implementation of design solutions.
- Created user-centered designs through wireframes, high-fidelity UI screens, and interactive prototypes.

Altimetrik – UX/UI Designer | Dec 2022 – Jun 2024

- Worked on an employee engagement platform focused on improving digital employee experience and internal communication.
- Built a scalable design system from scratch with 15+ responsive components and advanced variable setups in Figma.
- Collaborated with product managers, developers, and designers to deliver consistent and accessible user experiences.
- Led the end-to-end design process including user journey mapping, wireframing, prototyping, and usability refinement.

Altimetrik – UX/UI Intern | Feb 2022 – Dec 2022

- Contributed to internal design systems by designing 15+ reusable components.
- Created 300+ icons for the internal design library.
- Supported the DEX project by designing gamification and engagement-related interfaces.

VOLUNTEERING & COMMUNITY

- Actively volunteered and supported community events organized by Friends of Figma Chennai.

- Contributed to organizing and coordinating Notion Chennai community events and design meetups.
- Collaborated with fellow designers and creators to encourage knowledge sharing and community engagement.

EDUCATION

Bachelor of Technology (Electronics and Communication Engineering)

Crescent Institute of Science and Technology, Chennai | 2018 – 2022
