PROFESSIONAL EXPERIENCE

Altimetrik | Nasdaq – Senior Designer | Jun 2024 – Present

Led the modernization of the CALYPSO enterprise platform, transforming a desktop-based workflow into a responsive web experience.

Designed intuitive navigation systems and optimized workflows to improve task efficiency and reduce user friction for enterprise users.

Collaborated closely with developers and stakeholders to ensure seamless implementation of scalable design solutions.

Created wireframes, high-fidelity interfaces, and interactive prototypes aligned with modern UX principles and accessibility standards.

Altimetrik – Associate Designer | Dec 2022 – Jun 2024

Designed employee engagement experiences that streamlined internal workflows and improved digital employee interaction.

Built a scalable design system with 15+ responsive components and advanced variable architecture in Figma.

Worked with product managers, developers, and designers to deliver consistent and user-centered product experiences.

Led the complete UX process including user journey mapping, low-fidelity wireframes, high-fidelity UI designs, and prototyping.

Altimetrik – UX/UI Intern | Feb 2022 – Dec 2022

Designed and contributed reusable UI components for the internal design system.

Created 300+ icons for the organization's internal design library.

Supported the DEX project by designing gamification interfaces and employee engagement experiences.

VOLUNTEERING & COMMUNITY

Actively volunteered and supported community events organized by Friends of Figma Chennai.

Contributed to organizing and coordinating Notion Chennai meetups, workshops, and design community events.

Collaborated with designers and creators to encourage networking, knowledge sharing, and community engagement.

EDUCATION

Bachelor of Technology (Electronics and Communication Engineering) Crescent Institute of Science and Technology, Chennai | 2018 – 2022

- Contributed to organizing and coordinating Notion Chennai community events and design meetups.
- Collaborated with fellow designers and creators to encourage knowledge sharing and community engagement.
